“ I remember Jackie back in the day when she would be at my grandfather's store, Rockdale Hardware. She would be there just sitting in the back talking to my grandpa about history, music, and government. She was very smart and could do math problems in her head. She would just pop them out, and I would still be trying to figure the first one out. She was a sweet girl. We will truly miss her at the R. Villa. Rest In peace, Jackie. ❤️🥹
