“ *I'm so saddened to hear of Allen passing so young. He & Clifford attended the Rolan reunion in May 2018 and I enjoyed visiting with them so much. Afterwards we visited the Salty cemetery. He was such a sweet, kind person. He will be remembered and missed.*

“ I worked at Kountry Inn from February of 2008-April of 2012, and Allen would come in to eat at the restaurant every day and would always come talk to me sometimes for hours. He was a sweet and gentle person, soft spoken and to this day would text me every Friday asking me how my week was and wishing me a blessed weekend . My last text from him was September 20th, 2019, wishing me a Happy Birthday, but I text him back he was 6 days off, my birthday was same day as his. And he said "okay". I will miss my weekly text from my friend that wore the grey t-shirt and welding hat everyday. Rest In Peace Allen Moses and God Bless You.

“ Allen worked for Mine Service for 31 years and was loved by all who knew him. I would always tease him and tell him I was not his directory assistance when he'd call me for a phone number, which was all the time lol. He was a very outgoing man and always seemed to have a joke or two to tell and I don't think he told the same joke twice in the 11 years I worked with him. We will miss seeing him around town and his funny personalities. Rest In Peace my friend
