James Dean "Jimmy" Parker Jr. was born in Caldwell, TX on February 12, 1979. Jimmy was a Caldwell High School graduate class of 1997 and a proud Hornet Supporter. He met the love of his life Jennifer Marie Lopez and married her on August 11, 2001. To this union they added Carson and Jaycee. Jimmy loved being a father and husband and devoted his life to his family. He attended all his children's activities, sporting events and went hunting with his son Carson. Jimmy enjoyed watching football, grilling on the back deck, being outside, cleaning up around the yard and garage, and just spending time with his kids. He was the best kind of momma's boy who loved his mother Karen Taylor and he would do anything for her. Jimmy was the best big brother and was always protective of his siblings Stacy, Harlan and Josephine. He was an incredibly hard worker and dedicated 20 years of service to Halliburton, during that time he made many friendships. Jimmy was a member of the Calvary Baptist Church.

He was preceded in death by his step-father, David Taylor; and his grandparents, Lester & Doris Wadlington, and Hubert and Patsy Parker.

Jimmy is survived by his loving wife, Jennifer Parker; two children, Carson and Jaycee Parker; his mother, Karen Taylor; his father, James Dean Parker, Sr.; one brother, Harlan Parker and wife Jessica; and two sisters, Stacy McDonald and husband Kelly, and Josephine Parker. His father and mother-in-law, Lucio & Cynthia Lopez Jr, sisters-in-law Rebecca Lopez, Lori Calhoun and husband Donnie. Brothers-in law Jonathan Lopez, Jeffery Lopez and wife Kimberly all of Caldwell. “ As kids, our mothers got together to have "the talk" with us. As our mothers stumbled through to discuss the birds and the bees with us, we just wanted to go outside and catch grasshoppers and play football. In High School, a group of us high school guys decided to participate in a male beauty pageant. Yes - a male beauty pageant. It was a fundraiser for the class of '97. This was by far one of the oddest fundraisers we all participated in, but it was incredible fun. Jimmy's big personality and deep raspy voice combined with one-liners connected us all with authentic humor. This was Jimmy, what I remember of him, a big personality that drew people into a vortex of laughter and hope. He had a special gift of enjoying the moment and not allowing those around him to sway him.

Jimmy seemed to have fun everywhere he was or who he was with. Although I had not seen him in many years, the memories I have of him will remain with me forever. A man who enjoyed life enjoyed people, and had a sense of humor that was genuine. I pray that his family, children, and those closest to him find peace in a time of trial and drastic life changes.
