“ Oh Mary, my heart breaks. There are not enough words or enough space to write them to express what an awesome man James was. How blessed George and I are to have had him as a friend and co worker. His work ethic, his integrity, love of family and friends, and his sense of humor are beyond measure. He helped me and taught me many things when I worked at Wal Mart. Things that have made a real difference in my life. There is one thing we never mastered "Putting Socks on a Rooster". May God bring you all comfort and peace as only he can and know that James will meet you all in heaven with outstretched arms. Rest in peace my friend till we meet again.
