“ Janet, aka Missy Mae, was the kindest, most patient and hardest working person I've ever had the privilege of working with. She was my "book of knowledge" in the construction world and I will miss her like crazy. My heart breaks for you Bill and her family.

“ I loved to be around Janet, she was beautiful inside and out. She took nothing from anyone but gave if they needed. My favorite memory of her is when she rode her horse to school bareback because it got out and she did not want to be late for school. So many fun times in classes I had with her and in Band. She was gorgeous on the field twirling her baton.
