“ There are so many memories to share, and so much more that should have been said about you. You were the kindest soul and always knew how to make people smile. Your talent of tile and wood working was immaculate! I know you're in heaven hunting all God's creations because it was your passion. You were truly loved and will forever be missed!

“ Jason recently completed installing a new floor for the Giddings Economic Development's Depot Building in downtown Giddings. He did a beautiful job and even installed a custom star (seen in this photo taken February 23). We were so saddened to hear of Jadon's death and send our deepest sympathies to his family. - Tonya Britton, GEDC Executive Director
