“ Jeffery you will be forever be missed from here to eternity! I remember the days you and Justin had together and the utmost importance you had when it came to helping me & my family when there was an utmost emergency on looking for your best friend Justin, my son on September 8,2010 when I could not find him. You kept me from witnessing the most awful thing imaginable to a mother that night. You were so head strong and word spoken was not even enough to repay you. I thank you so much for that! You and your family will always be in my heart & prayers. 🙏🌹
