Jennifer Lynn Bailey was born on December 2, 1990 in Providence, Rhode Island. She attended Giddings High School and was currently employed as the Dairy/Frozen Manager at Brookshire Brothers in Giddings and just recently went back to work part-time at Subway in Giddings. When she wasn't working, she enjoyed running and swimming. Above everything else, Jennifer's life revolved around her three year old daughter, Paula. She also loved family gatherings and cherished the time she was able to spend with her family. Jennifer was a beautiful, sweet and caring person who made friends easily. Her family became concerned for her safety Monday evening after being unable to get in touch with her. Sadly, after nearly a weeklong search by her family, friends and people she never even met, Jennifer was finally found the afternoon of Saturday, July 8, 2017 near Ledbetter, Texas.

She is preceded in death by her grandmothers, Ruth Ellis & Beverly Goldstein

and two uncles, Skip Gingras and Bobby Hudson.

Jennifer is survived by her daughter, Paula Berry of Giddings; her mother, Cheryl Riza & her husband, J.W. of Giddings; her father, Weldon Goldstein & his wife, Mary of Giddings; her sister, Stephanie Bailey & her fiancé, Drew Cranford of College Station; her four brothers, Steven Bailey & his wife, Jericka of Giddings, Thomas Bailey and his wife, Megan of Lexington, Shawn Goldstein of College Station and Chris Goldstein & his wife, Lindsay of Austin; her aunts and uncles, Pam & Paul Kacsur of Lytle, David & Cindy Umphres of Giddings, Paula & Mike Horton of Bastrop and Gaye & Robert Packert of Austin; her nieces and nephews, Tristen, Madilyn and Everett Bailey of Giddings and Jizzale, Maddox and Maverick Bailey of Lexington as well as numerous cousins and her many friends.

In lieu of flowers, the family requests that memorial donations may be made to the Jennifer Bailey Memorial Fund located at the First National Bank in Giddings.

“ *To a special friend
The moment that I heard you passed
my heart was torn in two
one side filled with heartache,
and the other side died with you.
I lie awake at night when the world is fast asleep, and
I take a walk down memory lane with tears upon my checks.
Remembering you is easy,
I do it everyday,
but missing you is heartache that never goes away.
I hold you tightly within my heart
and there you will remain.
Until the joyous day arrives,
That we will meet again.*

*I love you Jennifer Bailey, I will cherish every moment we ever spent together, you where a blast from the past, you and your siblings have been a part of my life for a long time. I am so glad I got a chance to be in your life you are a great gal with a beautiful smile and I am going to miss you dearly. I wish I could turn back time and go back to the days we shared to get a chance to tell you how special u are to me and everyone else that adored you. I will miss you my friend and you will never be forgotten.

“ I'll always remember the women's retreat we attended and how passionate you were to tell your testimony of all you've overcome in this life. I'll always remember you as a strong woman with a strong will to survive and overcome all the cards this life has dealt you.
