“ Oh my, where do I begin? Our families spent so much time together for such a long time. We shared bay trips to Bolivar, hunting trips to Columbus, multiple hunting & fishing shows in the Astrohall, and just spending quality family time together. Our families have been through weddings, funerals, graduations, and births together. There is not a season in my life that I can remember Uncle Jerry & Aunt Ruth not being there. With you leaving us here on earth, you now complete the foursome that spent countless memories together. You now join your wife, Ruth, your little sister, Nelda, and best friend, Vernon. I know they, among others, are welcoming you with open arms. And, yet our open arms are empty, but our hearts are full of love & memories..Forever loving you, Verna Jean
