“ Jerry, has been a life long friend. Too many great memories to share them all. The most memorable was when myself , Dean and Ray Williams roomed with Jerry while we were attending SHSU. He would always slip out and no one would know he was gone. We nick named him bobcat. A true friend who was always willing to help out. I don't think he ever rested, he was always working. You will be missed my friend.

“ Jerry was my life long forever friend!! Waking up this morning knowing that Jerry was not here made the world seem empty - less vibrant without his laughter. Jerry and I grew up together - went all the way through school together - it was the best of times and great memories. I know I will miss Jerry. My heart goes out to his loving, amazing family. May God hold you close and comfort you. My thoughts and prayers are with you. I love you all!! Linda Jordens Galayda

“ I remember when Jerry and Tim used to plant crops on our eastern pasture. One year they had corn there. It was a good year, and it was so green it was near 8 feet tall and almost black. I know he saw me and my younger brother pulling an ear off now and then. Eventually they brought us a big bag full of them. Same thing another time when they planted peanuts there. We were city kids, didn't know a thing about how peanuts grew! My eyes probably got as big as saucers when Jerry pulled them out of the ground. YIKES! In the dirt! Later he brought is a big feed sack full of peanuts. Dad roasted them in the fireplace. Between the Otte brothers they taught my brother and I a lot about living on a farm. Probably more to my brother. I remember when he'd hear the tractor over on the east side, off he would run. Jerry will be missed. Prayers for his family. The tears are for you... imagine the joy he entered into today!
