“ We love and miss you Jesse! There isn't one day that goes by that I don't think of you, and I look at the picture of you on my wall everyday. I always saw you as a big brother whether you knew or not I thought I should say something. Your baby girl is so beautiful you would be so proud, she looks so much like you. You brought so much life into this world with only a smile. Sunni and I still remember all the times at the farm, and that one time when me, Sunni, Lucas, and you were racing and we got the Gator and Rhino stuck so you started going toward the house and by the time you came back it was so late. I miss the skeeter song you used to sing. When my birthday comes around on the 21st I'll be celebrating you and on the 24th and your birthday. I can't believe it has almost been 3 years.- Stormi, Sunni, and Sherri.
