“ Last night, this world, and my brother's family, lost a wonderful, beautiful, caring man, Jim Scott, Robbie Storey's daddy. I am heart broken for Robbie, Dan, Noel, Amy, Jody, Tim and Jim's family. another patriarch of a beautiful family has left us too soon. he was the type of man that all men should try to be. An honorable, dedicated, sincere and trustworthy man, just to name a few, Jim was all that and more. When he walked in the room, it would light up, because that's what he carried with him all the time. You knew you were with someone very special. you knew you were going to be in good company, hear good stories, probably learn something new that you never knew about before. Jim could pretty much do anything he put his mind to, he could fix anything if it was broke, he was the true essence of jack of all trades, and probably a master of most of them. He was Daddy, Grandfather, Husband, Friend to all his family respectively. In my years of knowing Jim, I never heard one person say a bad thing about him. To all of his family here that can read this, please accept my deepest sympathy, and I'll be there for anything any of you need. I love My Brother and his family with all my heart, we've been through so much the last couple of years, and have stuck together, and so we will do it again, and we will somehow get through this. To my friends here, please pray for my Brother, his family, extended family during this very hard time.
