“ *Bo...wow,so sad to hear about my friend and brother. Knew him since early 70's. Amazing human being, very unselfish. We went through long and short hair together, loved to listen to old school rock/metal. Never boring being around him. We all used to have old metal trucks and would go out in the country and ram each other. We were a bunch of goofballs. Last time we saw each other was several years ago. I drove out to Davila to visit him. I was greeted by many dogs and had to call him to come out and rescue me. He came out laughing and called me "cara" which is Spanish for MUG!! Blessed to have known him. Bo was as real as a person could be. Love you brother..David "MUG" Gallardo*

Wow, RIP, Bo! Coworker with Bo from 2001 to 2005ish. Super guy to work with. Low key, helpful, and funny. Just finding he passed in 2022! Condolences to all of his family. Was his passing from natural causes? 🙏. James Cornett

“ Bo, we shared some awesome summers in Georgetown playing in the San Gabriel Park. I remember the little fun park there. It had the low water crossing where you use to catch those awful crawfish. The water was cool and we didn't have a care in the world. We would run down the grass covered ditch along side the little street in front of Maw's and Papa's. I thank God for those days. Thanks for helping mom and dad when they needed you. Bo, see you there cousin, rest well. Love you and miss you, Debbie.
