“ We have such fond childhood memories, many of which centered around Aunt Joann and Uncle Billy... Spending time at their house in Milano, baking and making jams, picking berries, and if you were lucky, driving the tractor. All were showered in love anytime they were around Aunt Joann- she radiated a positivity and that will continue to inspire us.

“ She was a sweet and caring for all, even the wildlife in her yard. She always enjoyed her fresh figs. They were so good and she would bring them down to Crowe Co and CRAIG would share them with the employees. She always had a smile on her beautiful face and was always a ray of sunshine. I have enjoyed a few of her recipes she has shared with me as she was a wonderful cook. I am pretty sure everyone loved Mrs. Jo Ann💜💗💕!! She definitely made her mark here on this ol' earth.
