“ Jo was always there when I needed a kind word or when I was down on myself. She had this gift for making everything better. I will miss her, although I am so blessed to have had her in my life. I am sad, but I am positive she is in a better place and surrounded by angels.

“ Jo was a very close friend to me. She loved life and loved animals. She volunteered her time here at Amazing Grace Acres, she helped out with carpentry, worked in the barn, played with the babies, and we enjoyed each other's company. She drove me to doctors appointments, stayed with me thru my back surgery in July, stood by my side. I am very grateful for that. I loved Jo very VERY much. Heaven has gained another ANGEL. See you on the other side my love.

“ Jo, you were always there for me when I needed someone to talk to, and when I needed advice. I've never met a kinder person. You always thought of others before yourself. Every time I saw you, your smile brightened my day. Your smiles brightened everyone's day. While I'll miss you down here, I know heaven will be brighter with a new Angel smiling on us from above.

Love ya Jo,
Marty

“ *"My old friend, this song's for you
Cause a few simple verses
Was the least that I could do
To tell the world that you were here
Cause the love and the laughter
Will live on long after
All of the sadness and the tears
We'll meet again, my old friend" -- "My old Friend" by Tim McGraw*

“ My sincerest and deepest condolences go out to Jo's family and friends. I was proud to call her my friend but honored that she called me friend. It amazes me that she could touch so many people; her heart was pure gold. Jo, while I will miss your physical presence in my life, you will live forever in my heart, my thoughts, and my soul. Until we meet again, rest in peace my dearest friend.

I didn't personally know Jo... But I knew her through my dear friend Fawn Via Facebook. So this tribute may be a little different. But heartfelt just the same. I wish that I could have met her. She was always uplifting, inspiring and always brought smiles. Jo always seemed to be so caring and passionate. We always pressed "like" on all of Fawn's posts first. Though I didn't know her personally, I do know and love my Fawn deeply. And one thing that is sure about Fawn, is that she loved Jo very much. And though I never met her face to face, I truly enjoyed what I was able to enjoy of Jo via the Internet. She was and always will be a beautiful person.
