“ I am so sorry to hear of John Robert's death. My family lived near his in the country during the years I was growing up. His parents were my Uncle Ralph and Aunt Effie. After they moved into Rockdale, they were my "in town" home when I had late school events.

SH

“ I've known John Robert Caffey since I was a pre-teen little boy (I turned 67 yrs. old as of today Apr. 11, 2018). I always had high regards for him and enjoyed being around him. I still talk about his Mother even to this day, I worked at City Food Market (downtown Rockdale, TX) as a teenager and his Mother would come in and I would "Sack" her groceries then carry them out to her car. She never smiled or said a word, but she would get her coin purse out and give me (2) dimes. I would tell her, "You don't have to do that Mrs. Caffey.", her reply to me without ever looking at me would be, "No, No take it, you earned it.". Then one day (after maybe a year) my Aunt Josie Scott told her who's Son I was and from that day forward, this Lady that had never engaged me in any conversation, nor looked at me or gave a smile, always gave me a smile and asked me how I was doing. And "Yes", I still had to take those (2) Dimes. I just love remembering this Lady and how our relationship evolved. Much Love to you Sue and the rest of ya'll's Family.
