“ I met John “POPS” about 14 years ago or more. We had some of the best times hanging out watching tv, sitting at the bowling alley drinking our beer and riding around on his Harley. He touched my heart and soul. He is always going to be in my heart as he always has been. He would crack me up all the time. I haven't seen him since the last time he came and visited me in Cuero, he wanted to get married. I wish we had been able to stay in touch. I will continue to miss him. Ride free love.
