“ I was saddened when I read about John. He did some work for My Dad in the eighties and nineties. Shoes our horses too. He always would say,I don't drive a tractor or fix fence. I work cattle and shoe horses. A good man. A great Cowboy. Family of Bernard Peter's. Open A Ranch Giddings, Tx

“ I am so saddened to hear of John's passing. He was one of my best friends since the late 70's in the Austin area. We still called each other at Christmas every year. Lots of wonderful memories and adventures with John. Please contact me when a memorial service is planned, I really want to be a part of it. Our deepest condolences to his family.

“ I am so sorry for your loss! I seen John probably everyday at least once - he would come in to Kountry Korner - get a cup of coffee and put his quarter on the counter! John had such a dry sense of humor but when he smiled his eyes would twinkle like stars! May he RIP!
