Johnny...where did the years go? Best friends as teenagers...hauling hay in Conroe with you and Darrell...working on the farm...riding with you to Dallas and back all in one night...driving through Conroe in your truck with the windows rolled down, CCR blaring on the 8 track stereo and many more good times. You may be gone, but, memories still remain.

“ The night after Johnny passed away and I had been passed this untimely news, I asked his spirit to please honor me an hour of time, to sit out in the quiet of the night, while I wrote him a letter, that I deeply regret his physical eyes had not seen, but his soul could at least know and take away upward.

Id like to share an excerpt with the entire Musgrove family:

"I, myself, have a countless supply of memories of you, Linda, John and Austin that are very special to me and warm me over inside knowing that you all have the same...because things were good... A lot of the time." "Your desire to help get Austin more in kin to his Dad's side of the family, when he was a young-slingger and the support you provided John, before and after we became formally family, impressed me every time. The last phone conversation Linda and I had on 4th of July 2022, was only 4 hours long (lol)! One of the last things I said to her was, "Johnny Musgrove is absolutely the toughest man I know" "He will outlive ALL of us" "Armageddon will strike, zombies have already attacked and there standing, surviving it all, will be Johnny Musgrove". And I am fortunate to see that true grit, in my own bloodline moving toward the future. I do love all of you and will always want the absolute best for you, in life. So glad to get to share this tribute thank you!

“ John and I were a machine repair team for many years. A great loss to the industry as well as personally. He was tough as nails and kept going no matter what was in his way. Inspired by his persistence and comforted from his friend's kind words, we shall go on. God bless John and his family.
