“ Rest In Peace Pye. I will never forget how you walked me to school everyday and even had lunch with me. You were like my big brother. I am so sorry that we won't get to have our visit next week but I know you were tired and are now resting in heaven. You will always have a special play in my heart. Love you cousin.

“ *Joe you were my uncle and my friend. I always knew I could call you and you would make me smile. I heard the news and just broke down. I went to my inbox and saw the messages and how we used to talk about back home. Just the thought of you being gone hurts, but I know your in heaven. I love you*
