“ *Condolences to Uncle Jay's family! Uncle Jay was a special person to all his nieces and nephews, at Christmas time, we would each receive an entire box of mixed candy. Looking back as an adult, he was so generous and spoiled each of us kids. As a youth, I will always have fond memory's of the summers spent with Grandma, Grandpa, & Uncle Jay at the Kostroun farm and I thank each of them and my parents for this special time.*

*Prayer for the family,

“ *Christmas Eve was always a special time at home. Uncle Jay (JD) was always a Santa to the nieces & nephews with boxes of candy for each one. He enjoyed it just as much as they did. I will miss our phone calls & taking him a picnic lunch plate. Lillian Kostroun Beach*
