I couldn't make it through that video without shedding some tears, but what a beautiful tribute. I am so, so sorry for the loss of your mother [and grandmother/great grandmother in some cases], She had such a beautiful spirit and every time I spent the night at her house, she welcomed me and treated me like one of her own. I can't recall a time where she wasn't flashing that warm smile. My thoughts and prayers for comfort and peace are with you all.

“ *Mrs. Ford always greeted everyone with warmth and her beautiful smile. She always, always had a way of making you feel comfortable, and welcome. I had the privilege and honor, as a teen, to be in her home and witness the love, pride, and dedication that she had for her family. I'm thankful for the sweet memories of this wonderful woman - and shall always remember her kindness - and especially the smile that she always gave to me when we would meet. Love, thoughts and prayers go out to each and every family member during this difficult time.*

“ She will be missed. I wish I could have see her before this. I am a friend of the family and loved her like a second mom. We used to come to her house for a week or two at a time. She treated everyone so good. She would cook for all of us crazy kids. I loved her gravy and biscuits. I have balled; that was good memories. I had so much fun there. But as you grow older, your lives change and don't get to do everything you want to. RIP wonderful lady. Prayers for the family.

“ I always enjoyed seeing Mrs. Ford at the SPJST hall in Dime Box. When she moved to St. Joseph Manor in Caldwell, I would stop in and immediately would be greeted with a beautiful smile and conversation. If it would be a couple of weeks between visits, she would remind me that I shouldn't stay away so long. I will miss her.
