“ Hello, to the Joyce Shed family:

The Shed family were our neighbors for more than 20 years and they were our family. Ms. Shed was a sweet and dear person. She came to my rescue on many occasions. I will always remember seeing a full table of good eats and shared what ever she cooked with us. She made the best iced tea in the country. She was a devoted wife and mother to her family. One of the saddest days in my life, when they moved to Lexington. But, I am grateful we reunited with the Shed's over the years. I am glad we had the opportunity to visit with her about 2 years ago. I can remember her smile and she was so happy to see us and we were even happier to visit her. She will be missed in so many ways and never ever forgotten. Karen you have been a good daughter and a great caretaker. Thank you for taking care of Ms. Shed.

Love & blessings,

The Cooksey family
