*Now your an Angel, even before you were born.
I know your in Heaven, but our heart is torn in on earth.
I had only a short time, to share life with you.
The wonder of what memories may have been.
When they told me your heart had stopped, I knew God has taken an
Angel to a place far beyond. But now you can rest well in the Kingdom
of God.

“ Ronnie and I will truly miss your smiling face. It was always a pleasure to see you and all the funny things that you would say and do. We will keep all the memories we shared with you deep in our hearts. All of those softball games we played, the stopping and eating and just talking are memories that will last a lifetime. You were truly a friend indeed.

Love you always and forever,
