Karen-

I sure miss you, and our hours on the phone everyday talking about and catching up with family stories. Thanks for filling in the blanks for me. Thanks for all the laughs and our little road trip to the lake. I wish we could have gone to Fredericksburg like we talked about. Thank you for caring for me with all my physical limitations and wanting to help me so much. How am I going to do these upcoming surgeries without you? And, thank you for caring enough for my Daddy when he was alone in Granite Shoals, and going to dinner with him. I'm glad he had a true friend in you. I know that you're up in Heaven, getting to see Granny and Papa, Daddy, Uncle Lonnie, Aunt Patsy, Aunt Wilma, Uncle Jack, Barbara, Willie, R.T., Rhonda and my Jackie Eugene. I pray that you're all together enjoying a couple of cups of coffee with them. And, thanks for caring so much for my Flynn. I gave him your love like you asked.

May God Bless your sweet kind and caring soul and may you Rest in Peace Aunt Karen.

Love-Barbara

“ Karen Lee was my 1st cousin, (we shared several in our family!) She had a warm sweet spirit, and always greeted us with a smile. It was difficult to visit across the miles in person, so the phone was our connection every week in recent years. Her smile was evident even on those calls. We wish we could have seen her one more time before she left us. 😞 Sharon & David Roy

“ My sincere condolences to Karen’s family. She enjoyed taking care of people and was so compassionate and loving to those she took care of. We became close friends in the last few years and I will miss our trips to Bryan mostly for doctor appointments (mine and hers) and eating out afterwards.

“ I remember when Karen Lee came to visit us in Minnesota; she and her cousin Nancy, my aunt, came up to the north woods to our cabin. Well, I wish they had gotten to come up and see us more often. So sorry that life is too short.

“ *Karen is my first cousin. My Dad and her mother were brother and sister. We all shared camping at Lake Travis with our families. We had the best time. We always talked about all the wonderful times we had. She would come to our home in Corpus Christi and stay a couple of weeks during the summer. Then I would go stay at her home for a week or two at her home in Austin. We walked everywhere in the area where she lived, we listened to records, read magazines about celebrities and we were big fans of the Beatles. I am really going to miss her, she went to Missouri with me one year, I drove. We had such a wonderful time with older sisters. Karen loved all her family, her sons, her aunts and Uncles, cousins, her friends and she loved animals. She will always be remembered, and we all loved her so much. I will miss you so much Karen! God will take good care of you Karen, No more worries, pains, or hardship.... You are at Peace our sweet and beautiful cousin! We Always love you and we all will see you again someday. Nancy*

“ *Deepest sympathy to the family. She was such a sweet loving and caring friend. Always gave encouragement and eager to help. Such a precious lady. Glad she chose our church where I got to meet her. Always chocolate cake at the monthly luncheon. I will miss her.*
