“ I am so sorry to hear of Kathy's passing. She is not gone, just away. One day you will see her again in our Heavenly Home. I remember coming over to get fresh milk from your mom and dad. Such sweet and caring people. God bless and keep you all during this time of sorrow.

“ Kathy and I were friends from high school and church. I remember being on a relay race against her at a Halloween party. She had to eat cream cheese which she hated. She made so many funny faces. Much later, after high school, I remember being in the church nursery with her. She was a good friend.
