“ Sorry to hear about Keith. He was truly a good person inside and out. Every time he would see my husband or myself he never failed to speak and carry on a conversation. He always had a smile on his face. Keith will surely be missed. Rest peaceful my friend. I love you.

“ We are so very sorry to hear the news of Keith's passing. We were very good friends and classmates in school. He was always so funny and was always joking in school. He always had a smile on his face and he never failed to stop and talk or speak. He was an usher in our wedding 43 years ago. Also, his mother and my mother worked together many years ago at Mehaffey's Dry Goods store. Our thoughts and prayers go out to you and the entire family.

“ *Hard working in his childhood and continued throughout his life. Definitely a shock as I remember him from childhood years being a tough football player on a playoff team, super athletic & ready to roughhouse when we ran into each other at Henry’s house.*

Remember when Kieth’s mom passed on to spiritual life & riding in his truck after saying goodbye to Aunt Marion, he spoke about what a loving mother she was & how he’d miss her. They have joyfully meet again.

“ *I worked for Keith and Rhonda for a few years. Keith was a kind and generous man. Always running from office to office, never slowing down. Him and Rhonda were there for me and Bill when he had his stroke. Keith was a one in a million kind of person, and my heart goes out to his family. Ride proud, Keith. You are and will continue to be missed by those that knew and loved you.*

“ Prayers of comfort to the entire Debault family. I have worked for Keith over 14 years at Mine Service in Rockdale, he was my boss and my friend. He will be missed dearly by all of us. He was a very proud man and not a lot of people even knew he was ill, that's just how he was. He never gave up and fought this illness to the very end. He would still come to the office every chance he got. Rhonda took such great care of him as did other family members helping as they could. Keith was a devoted Christian and I have no doubt he is with our Lord and no longer suffering. Please keep the entire family in your thoughts and prayers. I know his grandsons will miss him dearly and their trips to the sale barn on Fridays with him, horseback riding and riding around the pasture in the ATV counting cows.
Sincerely,
Gina Jatzlau

“ I have such fond memories of Keith from high school. He and Larry Bartlett sat behind some of us girls in world history class. There was never a dull moment. We were scolded for talking on a daily bases. Keith always had something funny to tell and we could never retain our laughter. I know he will be missed but he is in the arms of the angels now and I am sure he has a story for them. Rest in peace my friend.
