*Thank you mom. We appreciate your kind words and you remember when Kelley came over and helped make a cake for Papa Dave's birthday? That was so nice, and yes Kelley was on the top of the world and making it as a independent young lady and working and just living her life. She was so much fun to go fishing with. She taught me how to make a flan and also taught me how to do eyebrows. She was an amazingly, happy, outgoing, and loving daughter, friend, sister, niece, grand daughter, and so much more. She would give the shirt off her back to anyone who needed help and was always helping people who had less than her. Kelley will never be forgotten nor will be. I won't ever wake up and not think of her cause she was such a vibrant, beautiful, loving, caring, compassionate, giving, happy, person. She would light up the whole room when she would make her presence known and she loved her brother Rafa very much. She loved spending time with him, they were inseparable. She was also a mother figure to her sister Veda in Oklahoma. She was just so much more. She will always be in our hearts for when she tragically passed she took a part of all whom loved her with her. RIP KELLEY LUCIO*
