“ *I cannot express how deeply saddened I am with the passing of our sweet, sweet Kelly. Never would I have ever imagined she would be gone this soon. Only 60 years old and so full of life just 8 weeks ago. I know Kelly you are in a better place with the Lord. I pray for comfort over the whole family and friends and there are so many. Kelly trusted and loved everyone she knew. I love her with my whole heart and there is definitely an emptiness in me now. I pray for Braxton to be ok through all of this, because in his heart he lost his momma nana. God heal our hearts over this great loss, I miss you so much already. Rest in Heavenly Peace my little hippie. I love you all,
