“ I was Mr. Shaw's next door neighbor for 20 years. I always called him Mr. Shaw because I had nothing but respect for him. I was so young and raising two girls when I moved in. He always had advice during the early years and much needed hugs in the later years. He watched over my girls and myself. There was NEVER a time that he wasn't there if we needed him. I feel so very Blessed that we were friends. Before I moved last year, we had a long conversation on his back porch about what truly mattered; God, children, and the small things in life that keep us going. He will be greatly missed by everyone that knew him.

There was never a more giving, protective soul than he. Mr. Shaw taught me a lot, and I will NEVER forget him. God Bless and my prayers are with the family.

“ I've gotten to have a very special friend and there was ol Ken. He always loved picking on me, n sharing jokes after he knew who my father was. They were partners of jokes that never seemed to end. Sometimes I think I could sneak by, but he'd find me somewhere in the store. Never could out sneak him. He was one of a kind, and I will always hold that special spot of him always in my heart. He was my funny friend whom I've grown to lucky to have known him. Love you always Ken
