“ Ken was an amazing grandfather, and that is something we will forever hold close to our hearts.

Even though we moved out of state to New Mexico, his love never created distance. He made the journey to come see us—traveling in his 70s—and that visit meant everything to our family. It was the last time he traveled, and to us, that speaks volumes about the love he had for us. He even dreamed of coming back again one day, to stand with us on top of the Sandia Mountains—a place he truly loved.

From the very beginning, he was there for our daughter Summer—loving her, showing up for her, and holding a special place in her life that will never be replaced.

He was an incredible father to my husband, and truly a blessing to me as well. To me, he was more than family—he was a spiritual father, someone whose presence, wisdom, and kindness meant so much in my life.

He loved his wife, Paula Jean, with all of his heart, and it showed in the way he cared for her and stood by her.

Ken was also a decorated Navy veteran. We honor his service, and we are deeply grateful for the sacrifices he made for our freedom.

He meant so much to our entire family.

He will be missed deeply, but never forgotten. □
