“ *Larry was such a great person...in fact he was one of my earliest mentors at GSK. We had soo much fun that day and many others along the way while working together. At big or small meetings he was always such a team player and made miserable things more fun. This world lost another good guy but heaven gained an angel. My sympathy for the family and friends of his.*
Much love,

“ *It is with heartfelt sadness that I learn of Larry's passing. He was a friend and colleague with whom I worked closely and laughed heartily, and oh did we laugh. Our rides together were memorable as I watched him 'plan his work and work his plan'. Larry's persona was magnetic.....he truly was a joy to be with. I am grateful for the days shared with him and truly blessed to call him 'friend'....he will always have a special place within me.....love the guy....Lindy & my condolences to Patti and the Moerbe family for your loss.
