“ *Laura was a Rockdale High School classmate of 1979. She was an awesome trumpet player in the Big Blue Band from Tigerland. Loved hearing her laugh.*

“ *I remember taking Laura to a party/dance where she met this guy Jon. And yes it was a set up - but it lasted. I enjoyed working with both you & Jon in Houston. Condolences to your family.*

“ To say Laura was a childhood friend is not giving it the significance it deserves. Laura influenced my childhood in a positive way. I was at the Waters house as much as I was at my own house. My deepest sympathies.

“ I'm very sorry to hear of Laura's passing. It's always hard to lose a classmate. Laura and I shared a love of reading in early elementary school; I remember telling her I just couldn't get past the first couple chapters of "Gone With the Wind" - she convinced me to keep going, that I would never regret it. She was certainly right! My sincerest condolences to her family.
