“ My memories of my Aunt Sug is her always holding and loving her dear little dogs-chiwauhas.(Don't know how to spell these little dogs names.) She seemed to have them all her life. She would talk to them, hold them and treat them like her children. I hope in heaven all her beloved dogs are all there to lick her and comfort her.

“ I remember when Bob & Sug got married outside in a yard. Never had even heard of that being done in Giddings, must we attend a wedding that was not in church. I knew the hen bobbings life would change being married to Sug and it was different. It gave energy being outside in the yard that was decorated so that you didn't even think it was a yard. It is was so beautiful and so was Sug. Charles And I where married about 2 years later. We had just bought our house in Timbergrove in Houston. Bob and Sug came over and after enjoying our outsider patio (big thing to have outdoor barbecue on a patio back then). Keith, Lawrence, Tim and Judy played so nice together as Charles & I played partners with Bob & Sug Canasta cards. We played all night and let the kids stay up too! They pulled every toy out that they had along until they later to sleep in den floor. We just kept in plating until Sug and Bob won one game more than Charles and I did. Then it took Sug and I until 9:00 AM to pick all the toys up and straighten up the house. I can still her laugh!

“ To the family of Ms. Leah Faske, Edith's and my prayers are with you. Leah, I Loved you, I still do, you were a good friend and Christian to my wife and myself. Keith... You were one of the best friends I've ever had, and you always will be. Leah was a friend to all, and showed her Christianity every chance she got. Bye for now Leah, but I know we'll be reunited in Heaven when I get there. God's blessings to all of the family. Mathew, we need to talk real soon, I Love you as if you were my own, I'll see you soon. If the family needs anything from me, please do not hesitate to ask me or my wife. Richard & Edith M. Wieder
