“ Lee, I hate to see you go so soon and I know from my heart that you fought a great battle to the end. But most of all, I didn't get to talk to you or I didn't see you at Walmart getting your parts or soda water. But I know God loved you the most. Rest in peace now Cousin Lee, no more pain.

For the short time that I knew Lee he always had a smile on his face. He loved his animals. Lee was a hard worker. There was not a morning you didn't hear his truck coming up the road and his crazy laugh. Rest in peace Lee, no more pain nor sorrows. If you happen to see any of my peoples, give them a big smile for me 🥰🥰🥰 To the family of Lee Hamilton, you have my deepest condolences.

“ What a great man and one of the best mechanics on anything. All you had to do is just ask him and he did have to see it because I know this he's also a cousin of mine. He totally will be missed but not forgotten. To his daughter, brother Victor, his sister and his ex wife, my second cousin, Linda Payne, may God strengthen you all in your time of sorrow.
