“ I knew Lester some years back. He was a friend with a good fun, loving spirit. The paths we choose at times make reconnecting with good friends hard and sometimes impossible, but the good times shared last a lifetime. My friend Lester was and forever shall hold a special place in my life and memories. Rest my friend till we meet again.

“ It was such a shock to hear about you. I remember spending days with your sisters during the summer. Years pass and then George and I saw you at the bowling alley. I enjoyed catching up with you. I know you are not gone, just away! One day we will see you and other loved ones in our Heavenly Home. God bless and be with your family and friends in this time of sorrow. RIP Lester!

Lester, it was a huge shock to get a message from James, letting me know that you passed away Tuesday night. I will always remember you and all the great times we had with you, James, Randall, T.C., Skip and Erika. We would go to the dances, a nightclub in Harker Heights. When certain people would do some bad things, almost getting us in trouble with them, you were always there to keep me safe, and protect me. When I would get upset with them, you were always there to calm me down and talk to me about it. I will always cherish the special times we had together. You will be missed so much! Love you for being a great friend and an important part of my life. Rest in peace, Lester!
