“ *I found myself looking at the grocery sales, and looking at all the things you would have liked. " Look Sherrie, they have hotdogs on sale, or chips, or CHICKEN WINGS. Sometimes it's the little things that trigger a memory. I go in her room and look around, it still smells like her, but that probably won't last long. Love u mom....*

Mom, I love & miss you very much. I loved to watch you and my Bestie play rummey. I'll see you again mom and it won't be long, because Jesus is coming and we will meet again on the other shore. I love and miss you with all of my heart. The daughter of your heart! 💕

“ I miss you mom, as a family we all had trials and tribulations, but at the end of the day, you are my mom and your presence will be missed. I will miss playing Rummy with you and beating the socks off you, lol, and taking you shopping. You always wanted money to carry in your wallet, so you could buy items we had need of. The money was to spend on yourself, but you always bought items we needed. It will not be the same without you here. When we ordered out, and I asked you what you wanted, it was always the same, "Fried chicken wings and corn on the cob". I will not be able to eat either of these without thinking of you. I'm thankful your not in pain anymore and you are at peace. Sing with the angels, I love you! Sherrie
