I just recently learned of Mrs. Meyer's passing. I met her through the home health program she worked thru. She was such a lovely lady and my husband liked her too. He passed in Sept and I believe she came to pay her respects. We really enjoyed talking with her about everything. Again, I am so sorry for your loss.

“ I was saddened to learn of Linda's death. We were both born and baptized in 1955 and graduated from Giddings in 1973. Her parents were dear to me as they helped me struggle the first years after high school. I never knew she lived in Washington County. I lived in Round Top from 1980 to 1987, and again after hurricane Ike till present. We were friends in school till our graduation. She was always quiet and hard working at the laundry when we were in school and always with that soft kind smile. May her family find strength and comfort in the assurance of their reunion through the resurrection,

“ Linda Meyer was a kind-hearted woman who lived a Godly life. During her life she loved and cared for her family and so many others in her nursing career. Now she has been released from the pain and sorrow that she had while on earth and she can be with Jesus.

“ *Linda Meyer was a lady I admired when I worked for her as a CNA at the nursing home. She taught me everything I needed to know to give the very best of myself that I could to take care of the residents with strength and dignity. I looked up to her because of her vast experience in the nursing field and as the caring person that made her personality so unique. She certainly will be missed. Sincerely, Cheryl Sanders*
