When it comes to talking about Lisa, you can't help to remember she loved to cook. She worked at Chuck's BBQ for many years. Every evening, she would cook meals for any and everyone that was hanging around her house. She also participated in the Lexington cook-off, where she won multiple awards. Other passions of Lisa's were decorating, crafting, and shopping. She loved to help rearrange and decorate peoples' homes, plan weddings, and tinker with any object to make it become a beautiful piece of art! Lisa could go shopping all day long, and the one thing she could not pass up on was a nice new pair of pajamas and anything sparkly. The one thing she loved more than any of those things was being a Mom and a Nana.

“ Many years and lots of laughs were spent with Lisa. She and I were like sisters for a long time. Robert, Lisa and I shared many adventures together and I still miss those days of fun, dancing, laughing and loving. Dalton and Christie and Brandi were like my own family. I will forever remember the times we had together and miss her smile and friendship. Rest in Gods arms Lisa. You fought long and hard and lived a full life.

“ *Lisa Sue Hammond was like a sister to me. We spent many fun and sad times together. She was the ONE with me last year when I had to Say good bye to my Previous husband. Lisa knew how much I hurt for Rick and was my best friend helping me getting through his departure. I loved her and we were Best Friends. She will forever hold a place in my heart and I'm seeing her Smile as she enters Heavens Gates. Love to her family and God be with us all. Thank you Jesus for all you teach us. Amen.*
