“ *Lola and I both loved to crochet and make baby quilts and enjoyed sharing with each other. Lola encouraged me when I wasn't sure what I was doing to finish my projects. She will be missed by many. Our prayers go out to her family.*

“ *Sitting and crocheting and talking when she lived in Nixa, MO and her having me lay down when my back was hurting to take a nap and covering me up with a blanket.*

“ *Dad was really looking forward to getting to see Lola at Thanksgiving for our quick visit to Austin🥹 He loved getting to visit with her briefly before sacrament meeting started as she sat nestled against the wall on the front bench by the sacrament table. She will be sorely missed💔 but know she is enjoying her reunion with loved ones who have likewise passed on💕 I wonder if mom has sought her out yet to welcome her~mom looked up to Lola so💕 What a legacy of love and faith in action your sweet mother has left for your family...Our thoughts and prayers are with you to feel our Savior's love as you forge ahead one day at a time🙏🙏🙏 Long distance hugs from Brother Jim Allen and Sister Mary Robbins*

“ I did not personally know Lola, nor knew any of her children. I only know her through the reading of this obituary. The author of this obit was truly blessed by Lola's love, and the many stories shared have touched my heart. Another way that God has used Lola's life to bless others. Inspires me to do more for/with my own family. Thanks for sharing this little bit of Lola with me!

Noma, you wrote a beautiful obituary for your mother. Lola was one of the sweetest ladies I have known. John and I found her to be very loving. You and Charles cared for her with such love and respect for her last eleven years. The Lord bless and comfort both of you. Jean Sutherland
