

Lonnie Wayne Webb

September 13, 1958 - June 13, 2020

Lonnie Wayne Webb was born on September 13, 1958 in Lubbock, TX to the late N.C. Webb and Betty Mae Hildebrand. Lonnie was a jack-of-all-trades and a man of few words (unless you were staying awhile). He hated new technology until he found that it served a purpose for him. Only then was it deemed necessary... but even still, if the old way worked fine then that was that. Lonnie was the only brother to 3 sisters, Kay, Iris (Donnie) and Renee. His younger days were full of pranks and getting into things. If you were lucky enough to hear stories (or better yet to be a part of them) you would see a side of Lonnie that not everyone knew. That mischievous smile would light up his normally reserved face as he recounted the memory or pulled the current prank. It didn't occur as often as before, so you had to enjoy the moment while it happened. Lonnie worked extremely hard throughout his life in a variety of jobs such as, driving a hot oil truck, a mechanic, rancher, AC specialist, carpenter and many other things. Lonnie loved to teach what he knew and always liked when anyone took an interest in learning from him. He met his wife Liz later in life but that didn't stop him from building a great life with her. Lonnie's quiet determination and stubbornness helped him beat stage 4 cancer. He passed on June 13, 2020 in his home that he proudly built with his dad. Lonnie never enjoyed formal occasions so in honor of him a casual potluck Celebration of Life and 31 tournament will be held at one of his favorite places, Watson's on Park Road 4 on Saturday June 20th, 2020 at 11 a.m. In lieu of flowers please consider giving a donation in Lonnie's name to

Hospice Brazos Valley 302 East Blue Bell Road, Brenham Tx 77833 as they were instrumental at making his last days comfortable. Lonnie was a great role model, father, teacher, and friend to many and will be greatly missed. Rest easy old-timer. WE LOVE YOU!

“ Lonnie, I can remember many times I got you in trouble like the time Iris's boyfriend was at the house. I was driving his car up and down the driveway and you panicked and told me to step on the brake step on the brake. I got scared and pushed the gas and ran into our Pontiac and you got your butt in trouble for that because I jumped in the backseat and hid. Lonnie, I was not ready to let you go. You were supposed to stay here or my last dance. I love you brother and you will always be in my heart.

My sympathy to Liz and all the family. Lonnie was a good friend and neighbor to my daughter Marianne.
Rest well dear Lonnie.

Lonnie was still pretty young when I left Lubbock in 1966 and I think they moved to Houston soon after. But I remember how happy Mom and I were to see him at her 75th birthday party, in 1992, we had in Houston because Aud was on chemo. Aud didn't come to the party as it wasn't safe for him but we did get to visit him and of course see him one last time, AND see several like Lonnie we were glad to see; fortunately Lonnie was still very healthy and handsome at the time and I knew he was a hard worker, so I still have many GOOD memories of him. Thinking of you all with love and prayers. Lene
