“*Mrs Loretta was a dear lady. She always made me feel welcome in her home and interested in what was going on in my world. Something Mrs Loretta shared with me was how to purchase little gifts ahead of time to have stored away for that unexpected event or visit to give to brighten another’s day. She was a quiet spirit with a good heart. She and Curtis always sat in the front middle section, about 5 rows back with The Clarks and The Siptaks. All of them could always be counted on in worship and were faithful to their failing health. I loved them both and sorry that I lost touch in Mrs Loretta’s last years. Sincere love and affection sent. Dena Doonan Matcek*
