“ *She and Dad had come down for the yearly State Fair Extravaganza. We then went to Safford to visit friends. She jumped up in the bed of the truck to help unload it! She was well into her 60's at that time. She was a go getter. Anything needed done, she would do it. She always loved me like I was her own.*

*I really got to know her the last few years. She made me a queen size croched spread for my bed. It's beautiful. I loved to sit and talk with her. She was so awesome.  
Love ya mamma. I'm going to miss you.*
