“ *My heart is heavy with grief and loss for our little angel Luna. Luna, I will talk to you as I do all my other angels I live in heaven. Ashley and RJ, you are always in my prayers and I pray for you to move through your grieving process as best you can. And always remember you have a very large support network. There are more family and friends who are here for you than most can recognize in the beginning of a great loss. Never stop reaching out to take a hand and let us help in any way we can. I love you all very much.*

“ Precious Luna, I never got to hold you but my heart is full of love for you. Your short time here on earth touched many lives. You will always be in our hearts. Rest in peace Precious Luna. Ashley and RJ - I imagine there is no pain more far-reaching and deeper than losing a child. My heart and prayers go out to you at this most difficult time. I'm always here for you. Love you.
