“ Lynda will be remembered as a great friend and she had many. Her true love was her family; she literally lite up when she talked about her grandchildren. I hope they realize how much they were loved. A life is lost but love does not end. Lynda life touched so many so her memory will go on forever.

“ Carl and family, Robert and I are saddened by the loss of Lynda Gayle. As a cousin, Robert was so close to Lynda and Ronny. He thought of them more as a sister and brother. It has been so hard on him, losing his own brother, Jimmy 3 year's ago, and Ronny just a few months ago. And now Linda. I know it's unbearable for you and your family. Lynda was such a light for her family and friends, alway had a smile on her face and loved everyone deeply. We are praying for God's love and strength for you.

Love, Robert and Beverly Bradshaw

“ Lynda was such an amazing woman. Even though she was dealing with her own health she would come visit my mom Ruth Hutson. My mom loved when she was there because Lynda was always laughing and talking about all the good memories she had.

“ *When Ronny and Carl were working overseas Lynda and I decided to take Ronnys 67 corvette for a spin in Austin. Her idea not mine. 🤪 . We go to a red light in Austin and a Ford mustang pulled up next to us gunning his motor. We all started grinning and eyeballing each other and I said he can take me and she said no way your driving Ronnys car and ended with HIT IT!!. I DID 🤪 we ate his lunch, laughing and speeding down cameron road. That is just one of many examples of the spirit of Lynda Bradshaw Moody ❤️*
