“ *I'm a friend of Mrs. Mallie's granddaughter Haley Alexander. When I was introduced to Mrs. Mallie, I believe it was love at first sight. She always treated me with love, and always made me feel as though I was family and not just a friend of the family. She was a firey spitfire. She said what she meant, and meant what she said. Even though she did that, you would have to know it was said in love. I'm truly going to miss her. I hadn't seen her for a couple of years due to my move out of state, but distance does not remove the love you have for someone. I will miss her greatly, but I know she is at peace!*

Loving the Family Always and Praying for Strength and Peace for you All!!!

“ *When Deb and I first became close, years ago, I don't think Mallie thought very much of me. There was always a little chill in the air, and a standoffishness that was common when we were together. Some time later that started to slowly improve, until one weekend I was to visit, and the family, ALL of the family, was involved in a softball tournament in Schulemberg, there had been two rooms reserved, and I was invited to tag along. When the day was over we went to the rooms to "sleep", and I found myself on the floor with Mallie, and Haley, Mallie in the middle of course. I remember thinking, Oh Lord, this is going to be a long night, and it was, we laughed and giggled for hours, barely sleeping at all, like school children, eventhough there was more softball to be played in the morning. After that we were fine together, I had passed a test, I guess.*

It would be hard for me to say I'll miss her, as I sadly have not been as involved as I once was, but I can assure you Mallie Roberts will be missed by the world, especially her world.
