“ *My handsome Tio.... I will always have a special place in my heart for you.  
I wish that I could be there to say goodbye. Just know that I have always had the greatest respect for you.  
I know you were thinking of me all these years because when I talked to my brother Henry he would always tell me how you asked for me and all my sisters and my brother.  
It meant so much to me.  
May the angels guide you to the gates of heaven where you will see our familia waiting for you.  
Love you always, Rosita*
