“ I'm so sorry for the loss of your mom, grandma and wife. I'll always remember her smiling face. She always put up with all us kids from Morrison Street. Now she's smiling in heaven and watching over you all. My thoughts and prayers are with your family.

“ Cheryl my friend....my thoughts and prayers are with you, and the family at this time, and in the days to come. Growing up, I always thought it was neat that your mom was the ONLY person I knew that had the same name as me, spelled the same way...she was a beautiful woman...my angel in Heaven, my Mom ,also worked at the sewing factory and was an excellent seamstresswhen we were in school and no one had my name, I would feel so different, then think of your mom and feel better because I knew of one other person who did...how silly kids are...then I came to appreciate it so much, because my Daddy named me....I pray for peace and comfort for your family...especially your dad...he will be lost...I am here for you, day or night....you know how to reach me...HUGS AND LOVE...And what a beautiful picture of a lady who was so well thought of....
