

Marcy Nelson

December 4, 1954 - August 4, 2015

Sheryl Marcia Laborde Nelson, 60, of Beaufort, Texas, passed away at home in the wee morning hours on August 4, 2015, from leiomyosarcoma, in the arms of her husband, Alan and with her hand on her canine best friend, Rae.

Marcy, as she was known by all, was born in Houston, Texas on December 4, 1954. She was baptized at the Holy Ghost Catholic Church on January 23, 1955. First Communion was received on May 13, 1962 and was confirmed on April 19, 1964. She was united in marriage to Alan Walter Nelson, Jr. on June 23, 2007. She is survived by her parents, E.J. and Lois Laborde, Jr. of Austin, Texas; sisters, Ellen West, Bridget Schmal and Maureen Light; her children, Traci Lowes and Cliff Tooley as well as her step children, Zachary Nelson, Talon Nelson and Taylor Nelson; grandchildren, Peyton and Brennan Lowes and Harper Tooley as well as numerous nieces nephews and her beloved Black Lab, Rae.

Marcy was a graduate of the University of Texas at Austin in 1979. She taught Physical Education in the Round Rock Independent School District for over 30 years, leaving a legacy with her unique stamp on the many minds of the students that she touched. An avid

horsewoman, trail rider and bird hunter, she never met a stranger, whether canine, equine, or human. With her twinkling eyes, quick smile, adventurous nature, she was slow to anger and quick to love. All were welcome and she thought of others first. Marcy had a positive life force that flowed freely to everyone. She was happiest in the company of her dog Rae, her husband Alan, in a duck marsh, on horseback, happily chatting on a trail ride surrounded by her "trail riding family" with maybe a beer in her hand or a bit of Twailwide wine. She will be deeply missed by all.

Her memorial celebration will be held Friday, August 14, 2015 at the Beyersville SPJST Lodge # 48 at 6:30 P.M.. Family visitation will begin at 5:30 P.M. until service time. Beyersville SPJST 10450 South FM 619 Taylor, TX 76574.

Memorials in lieu of flowers can be sent to Hospice Austin, Christopher House, or Lee County Area Cancer Resource Center, or sign up a child for a Greenwing membership at Ducks Unlimited.

“ A million wonderful things can be said about Marcy. Heart of gold, biggest smile I have ever seen and always a sparkle in her eyes. We met for the first time at the Lexington stop on the Capitol of Texas Trailride and have been friends from that day. If there was fun to be had, she would have it and if you didn't feel like having fun, too....you did when she gave her pep talk. Always looking out for others. Right now, I just know she and King Boy and all the trailriders up there are organizing a "ride" like none other. She will be point scout riding next to Jesus. I know she will be wearing a red hawk feather in her hair! I love you, Marcy and will miss knowing you are not down here spreading your happiness for life. Gini Widner Lively

“ One of the best teachers all around. I had 3 children who had the great pleasure of being in her class and all three loved her dearly. She was a wonderful, loving caring person and she made the world a better place. I loved the way she treated my children and all children. She always had time for them and was very loving and patient with them. She will truly be missed. From the Hayes family

“ Marcy and I reconnected through Facebook recently. When I spoke to Marcy last about our aging parents, their health issues, and being caregivers, it was like there had not been 40 years since sitting next to each other for our high school graduation ceremony(Laborde and Lacey last names). She was encouraging me when I was calling her to see how she was! Marcy said "you know if we'd have hung out more together in high school, we could have caused some trouble, LOL"!! My thoughts and prayers are with Marcy's loved ones, friends, and her dog, Rae.

“*Marcy and Maureen were neighbors of my family. All the neighborhood run in circles enjoying summers, horses, ect out in Odessa. Marcy was like a hot 220 volt loose wire. Everything was all in. The only way to live life. These two sisters made everybody have so much fun just being kids. Driving that mean green Dodge Cornet 440 put Marcy on top the nice car group. Lots of time at Shreiffs Posse Coral riding horses, sometime across town to Marcy's house, plenty stall cleaning, horse bathes and feeding. Thanks for making Mojo High School years so much fun. GOD Blessed me when facebook reconnected us for the time we had. So glad GOD hooked Alan and you up. I'm sure GOD will have your horses & dogs waiting for you in Heaven.*

“ I taught with Marcy. I went to church with Alan and her. I've had numerous conversations with her, but it's her smile and kind heart that have left the deepest memories in my heart.

“ My deepest sympathies to Marcy's family. I am so sorry for your loss. I worked with Marcy at Anderson Mill for several years. She could always put a smile on anyone's face...and make you laugh in a blink. As the PE teacher she had a unique opportunity to work with every child in the school and to see them each year as they progressed through the grades. The children loved when she brought her horse to school!

“ Reunited with Marcy at the Girls Getaway at Lake LBJ. We laughed till our side hurt. She was out there fishing and promising she was coming back next year better prepared with her special poles. She loved life and nature. She talked of her beloved Alan and Rae. It wasn't the same fishing this year as she was too sick to come. Thought a lot about her that night while I was fishing this year. I knew how much she had enjoyed it the year before. Peace and grace my dear friend. Loretta
