“*"Aunt Margaret" was such a beautiful person. She always made me feel like her niece (even though there was no relation). She loved her family and her door was always open to those who wanted to come in!! I'm sad to hear of her suffering these past months, but glad that she is now at peace. Sending prayers and hugs to Daniel (so young to have lost both parents) and the rest of the family. May the many precious memories bring you all comfort. Aunt Margaret always had a smile for everyone. Carry her smile with you and share it with the world.*

“*From many years ago, I remember Margaret's beautiful long hair, her wonderful smile, and what a truly sweet person she was. Long years ago, as a young girl, she worked for Dairy Queen, and she made the best parfaits on the planet! (I'm sure she made mine with extra goodies). May God rest your soul, dear Margaret. And our deepest sympathy for your family and friends, Lovingly, David and Jeanie (Brooks) Mundine*
